VOL. I.

HONOLULU, H. I., THURSDAY, OCTOBER 24, 1895.

No. 104.

S. E. B.

The Rev. S. E. Bishop has forwarded a portion of a copy of the Friend for October through the Post Office. On it we find the following pencilled message:

"THE INDEPENDENT probably overlooked the expressions used below.—S. E. B."

We find this to refer to our references to his account of the Frank Godfrey outrage as he pastes a clipping from our issue of October 4th on his statements. We hasten to make the *amende honorable* by printing his remarks italicized by his own blue pencil in the fragment we have just received. Our silence before on what follows was because that portion was not on the fragment we then received.

The portion excerpted is from an article on page 76 of the Friend for October headed "Slandering the Cholera Hospital." "Another patient, after release, reported seeing a supposed corpse move after disinfectants had been applied. This was followed by the posting by some person of written placards in the native language denouncing the burial alive of cholera patients, two of whom were alleged to have been found moving in their coffins, at the cemetery. These slanders caused great indignation among those working to eradicate cholera. It is deeply to be regretted that certain unlawful violence ensued in punishment thereof. There seems reason to believe that the offending party was not at the time in sound mental balance, and needed forbearance. To those who are earnestly laboring to suppress great evils, there seldom fails to be a constant call for patience under opposition and slander." It seems as though the Rev. S. E. Bishop wishes to make the case worse against himself. We remarked on Oct. 4th, that he had said "not one word of disapprobation" of the cowardly outrages, (the italics again by his own blue pencil Ed. INDEPENDENT) not a word to denounce the violation of the law, and not a word of remonstrance for the neglect of the police to bring to the bar of justice the assailants of Mr. Godfrey. And this is the self-appointed censor of the Government under the monarchy. The silence of the reverend gentleman marks his approval of the assault on a fellow man, and on what is more important still, law and order.

OF VITAL IMPORTANCE.

If Mr. Dole and his cabinet can spare time from the consideration of ridiculous, though mischievous, filibusters scares, we would advise them to pay some little attention to the work which the California Viticultural Association is getting in against the Reciprocity Treaty, which has proved such a boon to these Islands. The West coast delegation to the next Congress at Washington is bound to exercise considerable influence in the consideration of our affairs, and it will be the part of wisdom on the part of Mr. Dole to placate the representatives of such an interest as that of the wine growers of California. It is not fair that individuals should be left to defend the nation at interests. In our opinion the treaty is in greater danger from the influence of the Viticultural Association of California and its friends, than Mr. Dole's government is from Mr. W. R. Castle's filibuster raids. Where is the Planter's Labor and Supply Company, that it should sit supinely while its foundations are being undermined?

In season or out of season every family should have a bottle of DIARRHŒA MIXTURE in the house. There is none better than DWIGHT'S, which has been dispensed by the HOLLISTER PHARMACY for the last twenty years.
